If you fail to meet the scheduled boat departure times as agreed or mentioned on our website, you may incur significant additional costs and delays for alternative boat journey and flights. We cannot delay the scheduled departure of boats from the resorts due to other guests needing to make their scheduled flights. The scheduled boat departure time from Sorong can be delayed in case new guests arrive a little later due to a delayed arrival flight.

The sites on the itinerary are the decision of Papua Diving managers based on several criteria including weather, tidal conditions, divers experience, apparent health and the interests of the majority of guests. We aim to accommodate all guests' requests but we do not guarantee include specific sites in the itinerary. Some sites may not be appropriate for some divers Fuel surcharges may apply to some excursions.

Saturdays: no boat diving is offered till 6pm. Guests with the unlimited diving package are invited to dive as much as they like from the jetty on the house reef.
